Subject: Thank you for your contribution to the IAJ meeting

**The Delegation of Liberia  
to the 68th Annual Meeting of the IAJ**

Dear colleagues,

On behalf of the International Relations Team of the Associação Sindical dos Juizes Portugueses (ASJP), we would like to express our warm thanks for your contribution to the 68th Annual Meeting of the International Association of Judges, held in Lisbon from 15 to 21 October 2026.

We warmly thank the delegation of Liberia for taking part in the meeting and for contributing to the exchange between colleagues from different judicial traditions. Your presence and your engagement in the discussions helped make Lisbon a place of open dialogue and mutual support.

We are grateful for the generosity and friendship shown to the Portuguese organising team. It was a privilege to receive our colleagues and to share both the working sessions and the moments of conversation that brought us closer together.

It was a pleasure to welcome you to Portugal. We hope that the friendships and exchanges developed in Lisbon will lead to further opportunities to work together. Please count on the friendship of our team and on our willingness to support our shared work for judicial independence and the rule of law.

With warm regards and sincere appreciation,

The International Relations Team of the ASJP
